WILL UNCLE SAM GET VILLA AFTER ALL? HERE'S WAY TO TRAP HIM!

"Pancho" Villa, after overrunning Chihuahua City, is said to be moving north toward Juarez, the Mexican city across the Rio Grande from El Paso. Perhaps if Villa gets into that territory, United States soldiers will go in and get him after all, for there is said to be an agreement by which U. S. troops can enter Mexico in pursuit of bandits, and Villa surely is still a bandit.

The map shows how a fourfold move-

ment of American troops, from Gen. Pershing's column in Mexico, from Ft. Hancock, N. M., and from Fort Hancock and Presidio, Texas, would entrap Villa should he venture near Juarez. The dotted line in the west shows Pershing's column. That between Marfa and Presidio indicates the route troops would have to take from the railroad to reach the boundary at that point. There is a militia detachment at Presidio, however.

WASHINGTON NEWS -:- GOSSIP

By CHARLES BROOKS SMITH.

WASHINGTON, D. C., Dec. 1.—Owen W. Cox has been appointed postmaster at Laurel Creek, Fayette county, to succeed John F. Biggers, who resigned; Mrs. Clara W. Decker at Sand Fork, Gilmer county, to succeed Emma L. Elliott, resigned; Hazel S. DeVaughn at Walker, Wood county, to succeed Minnie C. Marshall; and Dennis O. Terry at Elda, Clay county, to succeed Robert R. Sizemore, resigned.

Dr. Walter F. Leach, of Burnsville, W. Va., came to Washington to attend the funeral of his father, the Rev. Dr. Samuel V. Leach, the distinguished Methodist minister, lecturer and author whose last ten years of active ministry were spent in West Virginia at Charleston, Morgantown and Wheeling. The funeral services were held at Foundry Methodist church at 3 o'clock Tuesday afternoon, the church being packed to the doors with men, women and children who knew the dead clergyman in life only to love him for his piety and admire him for his learning and extraordinary intellectual abilities. The interment was at Arlington cemetery.

Mrs. Kathryn Eslin, of West Virginia, who is a visitor in the city, will be a guest of honor at this week's meeting of the Kate Gordon Chapter of the D. A. R. in the home of Mrs. Wesley Martin Stoner.

Robert L. Townsend as returned to Washington from Salem, W. Va., his native home, where he had a pleasant visit with relatives and old friends.

Congressman Sutherland has sent to the Pension Commissioner an application for an increase in the pension received by Richard Starr, of Parkersburg, and applications in behalf of the following persons: Mrs. Jermina Holyard, of Tunnelton; Mrs. Millie F. Hinds, of Largent; Mrs. Emma Bryner, of Jeter; and Mrs. E. H. Pendergrast, of Sago.

SAVE YOUR HAIR! 25 CENT BOTTLE STOPS DANDRUFF

EVERY BIT OF DANDRUFF DISAPPEARS AND HAIR STOPS COMING OUT.

TRY THIS! YOUR HAIR APPEARS GLOSSY, ABUNDANT, WAVY AND BEAUTIFUL.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance, an incomparable gloss and softness; but what will please you most will be after just a few weeks' use, when you will actually see a lot of new, downy hair—new hair—growing all over the scalp.

Danderine is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating and life-producing properties cause the hair to grow long strong and beautiful.

for sent at once to examine the merits of the case.

A special pension bill in behalf of Walter B. Warrick, of Woodruff, will be introduced when congress convenes next month by Representative Neely. Woodruff, who is a Spanish-American war veteran, had his application filed with the Pension bureau turned down. Other pension business at the office of Major Neely was the filing of an application for an original widow's pension with the bureau in behalf of Mrs. Rhoda Prickett, of Fairmont, and taking up with the pension officials the claims of Alex. McCracken, of Moundsville; Asbury Mayfield, of Mobley; Levi Brock, of Moundsville; Harrison G. Larshbaugh, of Fairmont; Mrs. Rachel Myers, of Broad Tree, and Mary J. Howard, of Wheeling.

Mr. and Mrs. Joseph Radtka, of Independence, Taylor county, who have a son in the army at Fort Worth, have asked Representative Neely to use his influence with the Secretary of War to get the soldier discharged on the grounds that the father was injured in the mines and is unable to work, and the help of the son is needed to support the family. The case has been laid before Secretary Baker and it is very probable that an order for the discharge of the soldier will be issued in the next few days.

Use of Herring in Japan. About four million tons of herring are caught in Japan every year. This enormous quantity is not used only for human consumption; about four-fifths of it is used as a fertilizer for the rice fields.

Have a Clear Complexion and Clean Skin

There is one sure, safe way to avoid a blotchy, pimply skin. A good or bad complexion comes from within. If you want a clear complexion, a clean skin—rosy cheeks and good health, your blood must be pure and the poisonous matter must be carried off.

Dr. Edwards' Olive Tablets assist nature to remove all poisonous waste matter in the system. They act on the liver and bowels like calomel yet have no dangerous after-effects. They are reliable—safe and cannot harm—are used by women folks everywhere.

Constipation is nearly always the cause of all ailments of women. The intestines must be made to do their work as nature intended—in a normal way. Have color in your cheeks. Take one or two tablets nightly and note the pleasing results. All druggists—10c and 25c.
